

# Phil le Guide

## TO DISCOVER, TO UNDERSTAND AND TO ENJOY

The natural, economic, cultural and gastronomic **HERITAGE** of :  
the **CAMARGUE** OR of the **CAUSSES-CEVENNES**  
OR of some of the most famous tourist **REGIONAL SITES**

*Born in the Cevennes and a young farmer from the Camargue, I then worked on many projects in particular of local and international sustainable development (for example on the algae Spirulina since 1980...). I am today delighted to make you share my passion to make you live an **UNFORGETTABLE EXPERIENCE** through the nature, the culture, a real knowledge and an entertaining excursion !*

**A DRIVER-GUIDE** independent and professional of the country

Fauna, Flora, Landscapes, Biodiversity, History, Economy, Crafts, Villages, Traditions, Producers of the country, Gastronomy...

**AN HIGH-SIDED 4X4** of quality (8 passengers)

With an opening roof for a panoramic view and an ease of photos off the beaten track.

**EXPLANATIONS** so entertaining as instructive  
with **traditional music** from time to time

### A TASTING

of at least 5 **food specialties** and **typical local wines**.

## 1 - HALF-DAY OF "SHARED EXCURSION" :

*to discover the **HERITAGE OF THE CAMARGUE***

**PRICE : 40€/adult and 20€/child (-12 years)**

### DURATION :

Between 3,5 to 5 hours according to your desires.

### DEPARTURE TIME :

- ▶ ON THE MORNING: From 8 am till 9:30 am according the season.
- ▶ ON THE AFTERNOON: 1:30 pm till 5:30 pm according to the sunset time.  
*"To live every day the sunset on the Camargue with Phil !"*

### DEPARTURE LOCATION :

- **Le Grau du Roi**: on a free parking easy to find OR from your place of residence
- **Aigues Mortes**: on the railway station parking
- **Montpellier**: beside the stop of "Parc Expos-Pérois" of the Tram3, with cost of transport in addition: **20€/adult and 10€/child (-12 years) the round-trip.**

A journey to discover the beauty and the diversity of the **HERITAGE OF THE CAMARGUE** driving at the rhythm of **Anecdotes**, of traditional **Music**, of a **Gourmet pit stop** and of specific **Explanations**: Birds and pink flamingos, wild Bulls, Horses, Flora, 7 types of Landscapes and of Biodiversity, History, Traditions, "The path of the hell", economic Activities, local Crafts (salt marshes and rice fields according to the season, vine growing, production of the reeds, local producers little known...), Villages and traversing 7 km of Ponds (an unique reed bed in Europe) after the **Tasting** at an owner of wild bulls or at a family wine grower or in the nature from a panoramic point of view in front of the **Sunset**... The excursion of the afternoon is completed by a magnificent view on the **enlightened medieval ramparts** of Aigues Mortes.

## 2 - WHOLE DAY OF A "PRIVATE EXCURSION" :

**The HERITAGE OF THE CAMARGUE\* (Gardoise and Provencale)  
OR of the CAUSSES-CEVENNES\*\* completed by GUIDED TOURS  
ON FOOT with me of some of exceptional tourist regional sites.**

**PRICE : ON ESTIMATE (from 1 to 8 people)**

**You choose or I advise you :** the departure location and time, the duration, the route, the type of the tasting and of the lunch (a picnic in the nature or a typical restaurant of the country).

### **DURATION :**

**Between 7 to 11 hours** according to your desires.

### **DEPARTURE TIME :**

**8 am or 9 am** according to the season.

\* **THE CAMARGUE ROUTE:** The "Grand Site de France of the Camargue Gardoise" (the same route than that of the half-day excursion) with a guided tour on foot of "Aigues Mortes" **AND** a route to discover the "Natural Regional Park of the Camargue Provencale" with a guided tour on foot of "Saintes Maries de la Mer" (and its historical church).

\*\* **THE CAUSSES-CÉVENNES ROUTE:** Across some famous vineyards ("Muscat of Lunel", "Coteaux of the Languedoc" and "Pic Saint Loup") to arrive at the running water of the lovely Valley of the Vis (and its incredible waterfall with possible bathing in summer) and at the green magnificent mountains of the Cevennes of the Natural National Park. After the desert of the incredible limestone plateaus of Blandas and Larzac, possibility of a walk on a botanical path (1 hour round trip) to discover an astonishing resurgence of water... Completed by guided tours on foot with me of the 2 exceptional "Grand Site de France of the CIRCLE OF NAVACELLES" and of that of "SAINT-GUILHEM-LE-DESERT" (from 804 AD)...

## 3 - WHOLE DAY OF "PRIVATE EXCURSION":
